Good shoes take you good places. Above all, believe in true love and know that men are like shoes. A couple is like a left foot and right foot. If high heels were wonderful, then men would be wearing them. I got some a shoe has so much more to offer than just walk. **BIRKENSTOCKS** isn't the moutnain ahead that wears you out; it's the grain of sand in your shoe.

Correct footwear and she will conquer the world. Life is short! Buy the shoes better shoes. You cannot put one shoe on both feet.
